

Actuator::Delta

```
graph LR; A[Actuator::Delta] --> B[Actuator::Read]; B --> C[Actuator::calcPosition];
```

A flowchart illustrating a sequence of three operations. The first operation, 'Actuator::Delta', is contained within a gray rectangular box. A blue arrow points from this box to the second operation, 'Actuator::Read', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'Actuator::calcPosition', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.

Actuator::Read

Actuator::calcPosition
