The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'Kinematic::fdKinematic'. The bottom box is also white with a black border and contains the text 'Kinematic::ivKinematic'. To the right of these two boxes is a single, wider box that is gray with a black border and contains the text 'Kinematic::armTMatrix'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the gray box on the right.
